Dear Brothers and Sisters:

The Local 94 Executive Board in its Official Notice set the deadline for receipt of ballots:

“Ballots received after September 11, 2021 will not be counted”

Unfortunately, in the drafting of Voting Instructions that appears on the backside of the ballot, it says that for ballots to be counted the ballot must be received by September 10, 2021. I have learned that the American Arbitration Association does receive mail on Saturdays, which is September 11, 2021.

This letter is to correct the Voting Instructions and clarify the rule of the Executive Board shall control and be enforced.

**BALLOTS RECEIVED AFTER SEPTEMBER 11, 2021 WILL NOT BE COUNTED.**

Local 94 Election Judge
